LITERARY ASSOCIATION

Report on the first day event on the day of inauguration of Literary Association

The inauguration of Literary Association was held on 25-07-2019 at Seminar Hall of Dr. S.R.K. Govt. Arts College. It was inaugurated by the Principal of Dr. S.R.K. Govt. Arts College, Dr. Jayaraj Daniel. He spoke a few words about the importance of this Literary Association. He said that this association would bridge the gap between student and teacher in research and further added that this would enhance research ambience which leads to fruitful results. This is a good opportunity for the students to excel themselves in different arenas.

It was followed by the Power Point presentation of Dr. Chelle Naresh on the topic **Womanism: A Perspective**. The topic focuses on the new arena i.e. Womanism which is different from Feminism. Womenism is much broader term than feminism and concerns all forms of oppression, not only gender related but also of race, class, and sexuality. An insight was laid upon the suffering of men and women in Africa.

It is a relevant topic for students to build up their social conscience. It was attended by faculty and students from different disciplines. The vote of thanks was proposed by Mr. Rajesh Kumar Karna.
