Suggestion taken from the parent's feedback form:

1. The library facility should be improved with more references books and students should be allowed to freely access the library for clarifying their doubts in the subjects and improve their knowledge.
2. There should be a canteen in the campus for the benefit of students.
3. Concentration on placements should be given for the future settlement of the students after completion of their degree. Experts of various fields should be invited and lectures should be given to students for planning their future goals. Teachers should guide the students about the various opportunities, entrance exams available for career advancement.
4. ICT facility should be improved and made available for the students to improve their technological skills and knowledge.
